

Election announcement

This year's student council election will take the form of an election assembly on **Thursday, the 5th of July 2018, from 18:30 until 20:30** on the ground floor of the **LIMES institute**.

The election will take place alongside this year's *Sommerfest*.

The itinerary of the election assembly will be as follows:

1. Welcome address
2. Application of additional candidates
3. Presentation of candidates
4. Voting
5. Counting of votes and announcement of election results
6. Student council finances
7. Inauguration of new student council

What is this election?

In this election, all members of the Fachschaft of Molecular Biomedicine will be able to vote on the composition of the new student council. The student council consists of 9 regular members. By request of the course committees (Fachausschüsse) two additional members per degree programme may be voted into the student council to represent their specific course. During the election, you may cast a vote for any member of the Fachschaft, regardless of whether they announced their candidature.

You are allowed to vote and run for office if you are enrolled in a degree course that forms a part of the Fachschaft up until the **5th of June 2018**. To be allowed to vote you must be correctly registered in the voters registry, which is provided by the university's administration.

The voters registry will be available for notice with Carsten Küsters and Marie Oestreich from the **18th until the 20th of June** between **1 and 3pm** on the **first floor of the LIMES institute**.

You may submit complaints against the voters registry up until **7pm on Sunday, the 24th of June**.

You may request postal ballot up until **7pm on Sunday, the 24th of June**. Your request must include your full name, address, Matrikelnummer and justification for why postal ballot is required.

You may submit a candidature to the election committee up until **7pm on Sunday, the 24th of June** in written form. Contact details can be found below. In addition you may submit a candidature during PoO 2 of the election assembly.

In your written application for candidature you must include the following:

1. Full last name of the candidate
2. Full Forename(s) of the candidate
3. Address of the candidate
4. E-Mail-Address of the candidate
5. Matrikelnummer of the candidate
6. Degree course the candidate is currently enrolled in
7. Name of the election („Wahl des Fachschaftsrates“)
8. Reference to the desired list of candidates (§ 9 of student council statutes)
(„Regulär“ for the 9 regular seats, „Name of degree program“ for course specific mandates)
9. Signature
