

Election announcement

This year's student council election will take place from **Tuesday, the 5th of November 2019** until **Friday, the 8th of November 2019** on the ground floor of the **LIMES institute**. The polling site will be open daily from **10 am until 2 pm**.

What is this election?

In this election, all members of the Fachschaft of Molecular Biomedicine will be able to vote on the composition of the new student council. The new student council consists of **11 members**.

You are allowed to vote and run for office if you are enrolled in a degree course that forms a part of the Fachschaft up until the **6th of October 2019**. To be allowed to vote you must be correctly registered in the voters registry, which is provided by the university's administration.

The voters registry will be available for notice from the **21st until the 23rd of October** between **12pm and 1pm in the office of the Fachschaft of Molecular Biomedicine**.

You may submit complaints against the voters registry up until **7pm on Friday, the 25th of October**.

You may request postal ballot up until **7pm on Friday, the 25th of October**. Your request must include your full name, address, matriculation number and justification for why postal ballot is required.

You may submit a candidature to the election committee up until **7pm on Friday, the 25th of October** in written form. Contact details can be found below.

In your written application for candidature you must include the following:

1. Full last name of the candidate
2. Full Forename(s) of the candidate
3. Address of the candidate
4. E-Mail-Address of the candidate
5. Matriculation number of the candidate
6. Degree course the candidate is currently enrolled in
7. Name of the election („Wahl des Fachschaftsrates“)
8. Signature
